

THE BUTTERED BISCUIT

"Hi there, I'm Anna! I'm a Midwest gal who adopted Arkansas as my home. I've found that I'm happiest as a wife & mother surrounded by house plants, my faith, a good cup of coffee and a hot breakfast. At heart, I'm an unassuming person who loves gathering with friends and family around a breakfast table.

That's why I opened The Buttered Biscuit - to create a place for community to come together amidst the chaos of a busy world and to serve delicious, scratch-made, classic central-southern dishes.

At The Buttered Biscuit, you'll enjoy a breakfast made from scratch with high-quality ingredients. Every morning our team starts at 5 AM to make our famous biscuits, ensuring you have the absolute best breakfast possible. Let us do the baking and cooking for you and come enjoy a handcrafted, scratch-made breakfast - because when you're here, you're home."
